Definitions

- Number of Students who Began Program means the number of students who began the program who are scheduled to complete the program within 100% of the published program length within the reporting calendar year and excludes all students who cancelled during the cancellation period.
- Students available for graduation is the number of students who began program minus the number of students who have died, been incarcerated, or been called to active military duty.
- Number of On-time Graduates is the number of students who completed the program within 100% of the program length with-in the reporting calendar year.
- On-time Completion Rate is the number of on-time graduates divided by the number of students available for graduation.
- 150% Graduates is the number of students who completed the program within 150% of the program length (includes on-time graduates).
- 150% Graduates is the number of students who completed the program in reported calendar year within 150% of the published program length, including on-time graduates, divided by the number of students available for graduation.
- Graduates available for employment means the number of graduates minus the number of graduates unavailable for employment.

California Human Development Corporation
Anthony Soto Employment Training Center
2895 Teepee Drive Stockton CA 95205
Phone #209 235-2070
www.californiahumandevelopment.org

- Graduates unavailable for employment means the graduates who, after graduation, die, become incarcerated, are called to active military duty, are international students that leave the United States or do not have a visa allowing employment in the United State, or are continuing their education in an accredited or bureau-approved postsecondary institution.
- Graduates employed in the field means graduates who beginning within six months after a student completes the applicable educational program are gainfully employed, whose employment has been reported, and for whom the institution has documented verification of employment, For occupations for which the state requires passing an examination, the six months period begins after the announcement of the examination results for the first examination available after a student completes an applicable educational program
- Placement Rate Employed in the Field is calculated by dividing the number of graduates gainfully employed in the field by the number of graduates available for employment.
- Number of Students Taking Exam is the number of graduates who took the first available exam in the reported calendar year.
- First Available Exam Date is the date fro the first available exam after a student completed a program.
- Passage Rate is calculated by dividing the number of students who passed the exam by the number of graduates who took the reported licensing exam.
- Number Who Passed First Available Exam is the number of Graduates who took and passed the first available licensing exam after completing the program.
- Salary is as reported by the graduate or graduate's employer.
- No Salary information Reported is the number of graduates for whom, after making reasonable attempts, the school was not able to obtain salary information.

STUDENT'S RIGHT TO CANCEL

California Human Development corporation/Anthony Soto Employment Training Centers will refund 100 percent of the amount paid for tuition charges without penalty or obligation if notice of cancellation is made on or before midnight of the seventh day after the first day of instruction. Exception to the rule is the third day after enrollment for the Forklift Operation and Safety training. Notification of withdrawal or cancellation and any request for a refund should be made in writing to the Center Manager. For non-starters or students that cancel contracts prior to class start date, all refunds due will be made within ten (10) days of the class or the date of cancellation. For enrolled students, all refunds due will be calculated from the last date of attendance and are paid within forty-five (45) days from the documented drop date. The documented drop date is determined by written notice from the student or by applying the school attendance policy. **Note:** for veteran refund policy, refer to school catalog.

Refunds will be paid to the party/parties that pre-paid the tuition for the student. If a third party prepaid the tuition, the computed refund will be paid to the third party. If more than "one party prepaid tuition, the refund will be paid in proportion to the tuition prepaid by each party. If the student has received federal student financial aid funds, the student is entitled to a refund of moneys not paid from federal student financial aid program funds.

Prepaid tuition will be refunded on a pro-rata basis for any termination that occurs on or before 60 percent of the program clock hours of instruction.

The pro-rata amount will be computed by using the ratio of the number of hours of instruction completed to the total number of hours of instruction scheduled for a given program. For example, if a student paid \$4,414 for a 630-hour program and s/he only completed 191 hours, the refund would be \$3,076 ($\$4,414 / 630 = \$7/\text{hr.} * 191 \text{ hrs.} = \$1,338$ owed to ASET Center; $\$4,414 - \$1,338 = \$3,076$ refunded to student). No tuition will be refunded for any termination that occurs after sixty percent (60%) of instructional clock hours completed."

Definitions

- Number of Students who Began Program means the number of students who began the program who are scheduled to complete the program within 100% of the published program length within the reporting calendar year and excludes all students who cancelled during the cancellation period.
- Students available for graduation is the number of students who began program minus the number of students who have died, been incarcerated, or been called to active military duty.

California Human Development Corporation
Anthony Soto Employment Training Center
1468 Sky Harbor Drive Suite G
Olivehurst CA. 95961
Phone # 530-741-2924
www.californiahumandevelopment.org

- Number of On-time Graduates is the number of students who completed the program within 100% of the program length with-in the reporting calendar year.
- On-time Completion Rate is the number of on-time graduates divided by the number of students available for graduation.
- 150% Graduates is the number of students who completed the program within 150% of the program length (includes on-time graduates).
- 150% Graduates is the number of students who completed the program in reported calendar year within 150% of the published program length, including on-time graduates, divided by the number of students available for graduation.
- Graduates available for employment means the number of graduates minus the number of graduates unavailable for employment.
- Graduates unavailable for employment means the graduates who, after graduation, die, become incarcerated, are called to active military duty, are international students that leave the United States or do not have a visa allowing employment in the United State, or are continuing their education in an accredited or bureau-approved postsecondary institution.
- Graduates employed in the field means graduates who beginning within six months after a student completes the applicable educational program are gainfully employed, whose employment has been reported, and for whom the institution has documented verification of employment, For occupations for which the state requires passing an examination, the six months period begins after the announcement of the examination results for the first examination available after a student completes an applicable educational program
- Placement Rate Employed in the Field is calculated by dividing the number of graduates gainfully employed in the field by the number of graduates available for employment.
- Number of Students Taking Exam is the number of graduates who took the first available exam in the reported calendar year.
- First Available Exam Date is the date fro the first available exam after a student completed a program.
- Passage Rate is calculated by dividing the number of students who passed the exam by the number of graduates who took the reported licensing exam.
- Number Who Passed First Available Exam is the number of Graduates who took and passed the first available licensing exam after completing the program.
- Salary is as reported by the graduate or graduate's employer.
- No Salary information Reported is the number of graduates for whom, after making reasonable attempts, the school was not able to obtain salary information.

STUDENT'S RIGHT TO CANCEL

California Human Development corporation/Anthony Soto Employment Training Centers will refund 100 percent of the amount paid for tuition charges without penalty or obligation if notice of cancellation is made on or before midnight of the seventh day after the first day of instruction. Exception to the rule is the third day after enrollment for the Forklift Operation and Safety training. Notification of withdrawal or cancellation and any request for a refund should be made in writing to the Center Manager. For non-starters or students that cancel contracts prior to class start date, all refunds due will be made within ten (10) days of the class or the date of cancellation. For enrolled students, all refunds due will be calculated from the last date of attendance and are paid within forty-five (45) days from the documented drop date. The documented drop date is determined by written notice from the student or by applying the school attendance policy. **Note:** for veteran refund policy, refer to school catalog.

Refunds will be paid to the party/parties that pre-paid the tuition for the student. If a third party prepaid the tuition, the computed refund will be paid to the third party. If more than "one party prepaid tuition, the refund will be paid in proportion to the tuition prepaid by each party. If the student has received federal student financial aid funds, the student is entitled to a refund of moneys not paid from federal student financial aid program funds.

Prepaid tuition will be refunded on a pro-rata basis for any termination that occurs on or before 60 percent of the program clock hours of instruction.

The pro-rata amount will be computed by using the ratio of the number of hours of instruction completed to the total number of hours of instruction scheduled for a given program. For example, if a student paid \$4,414 for a 630-hour program and s/he only completed 191 hours, the refund would be \$3,076 ($\$4,414 / 630 = \$7/\text{hr.} * 191 \text{ hrs.} = \$1,338$ owed to ASET Center; $\$4,414 - \$1,338 = \$3,076$ refunded to student). No tuition will be refunded for any termination that occurs after sixty percent (60%) of instructional clock hours completed."

Definitions

- Number of Students who Began Program means the number of students who began the program who are scheduled to complete the program within 100% of the published program length within the reporting calendar year and excludes all students who cancelled during the cancellation period.
- Students available for graduation is the number of students who began program minus the number of students who have died, been incarcerated, or been called to active military duty.

California Human Development Corporation
Anthony Soto Employment Training Center
1468 Sky Harbor Drive Suite G
Olivehurst CA. 95961
Phone # 530-741-2924
www.californiahumandevelopment.org

- Number of On-time Graduates is the number of students who completed the program within 100% of the program length with-in the reporting calendar year.
- On-time Completion Rate is the number of on-time graduates divided by the number of students available for graduation.
- 150% Graduates is the number of students who completed the program within 150% of the program length (includes on-time graduates).
- 150% Graduates is the number of students who completed the program in reported calendar year within 150% of the published program length, including on-time graduates, divided by the number of students available for graduation.
- Graduates available for employment means the number of graduates minus the number of graduates unavailable for employment.
- Graduates unavailable for employment means the graduates who, after graduation, die, become incarcerated, are called to active military duty, are international students that leave the United States or do not have a visa allowing employment in the United State, or are continuing their education in an accredited or bureau-approved postsecondary institution.
- Graduates employed in the field means graduates who beginning within six months after a student completes the applicable educational program are gainfully employed, whose employment has been reported, and for whom the institution has documented verification of employment, For occupations for which the state requires passing an examination, the six months period begins after the announcement of the examination results for the first examination available after a student completes an applicable educational program
- Placement Rate Employed in the Field is calculated by dividing the number of graduates gainfully employed in the field by the number of graduates available for employment.
- Number of Students Taking Exam is the number of graduates who took the first available exam in the reported calendar year.
- First Available Exam Date is the date fro the first available exam after a student completed a program.
- Passage Rate is calculated by dividing the number of students who passed the exam by the number of graduates who took the reported licensing exam.
- Number Who Passed First Available Exam is the number of Graduates who took and passed the first available licensing exam after completing the program.
- Salary is as reported by the graduate or graduate's employer.
- No Salary information Reported is the number of graduates for whom, after making reasonable attempts, the school was not able to obtain salary information.

STUDENT'S RIGHT TO CANCEL

California Human Development corporation/Anthony Soto Employment Training Centers will refund 100 percent of the amount paid for tuition charges without penalty or obligation if notice of cancellation is made on or before midnight of the seventh day after the first day of instruction. Exception to the rule is the third day after enrollment for the Forklift Operation and Safety training. Notification of withdrawal or cancellation and any request for a refund should be made in writing to the Center Manager. For non-starters or students that cancel contracts prior to class start date, all refunds due will be made within ten (10) days of the class or the date of cancellation. For enrolled students, all refunds due will be calculated from the last date of attendance and are paid within forty-five (45) days from the documented drop date. The documented drop date is determined by written notice from the student or by applying the school attendance policy. **Note:** for veteran refund policy, refer to school catalog.

Refunds will be paid to the party/parties that pre-paid the tuition for the student. If a third party prepaid the tuition, the computed refund will be paid to the third party. If more than "one party prepaid tuition, the refund will be paid in proportion to the tuition prepaid by each party. If the student has received federal student financial aid funds, the student is entitled to a refund of moneys not paid from federal student financial aid program funds.

Prepaid tuition will be refunded on a pro-rata basis for any termination that occurs on or before 60 percent of the program clock hours of instruction.

The pro-rata amount will be computed by using the ratio of the number of hours of instruction completed to the total number of hours of instruction scheduled for a given program. For example, if a student paid \$4,414 for a 630-hour program and s/he only completed 191 hours, the refund would be \$3,076 ($\$4,414 / 630 = \$7/\text{hr.} * 191 \text{ hrs.} = \$1,338$ owed to ASET Center; $\$4,414 - \$1,338 = \$3,076$ refunded to student). No tuition will be refunded for any termination that occurs after sixty percent (60%) of instructional clock hours completed."

IF the majority of graduates from this program obtain jobs in self-employment or freelance work add:

This program may result in freelance or self-employment.

- The work available to graduates of this program is usually for freelance or self-employment.
- This type of work may not be consistent.
- The period of employment can range from one day to weeks to several months.
- Hours worked in a day or week may be more or less than the traditional 8 hour work day or 40 hour work week.
- You can expect to spend unpaid time expanding your networks, advertising. Promoting your services, or honing your skills.
- Once graduates begin to work freelance or are self-employed, they will be asked to provide documentation that they are employed as such so that they may be counted as placed for our job placement records.
- Students initialing this disclosure understand that either a majority or all of this school's graduates are employed in this manner and understand what comprised this work style.

Definitions

- Number of Students who Began Program means the number of students who began the program who are scheduled to complete the program within 100% of the published program length within the reporting calendar year and excludes all students who cancelled during the cancellation period.
- Students available for graduation is the number of students who began program minus the number of students who have died, been incarcerated, or been called to active military duty.

California Human Development Corporation
Anthony Soto Employment Training Center
3315 Airway Drive
Santa Rosa, CA 95403
Phone # 707-523-1155
www.californiahumandevelopment.org

- Number of On-time Graduates is the number of students who completed the program within 100% of the program length with-in the reporting calendar year.
- On-time Completion Rate is the number of on-time graduates divided by the number of students available for graduation.
- 150% Graduates is the number of students who completed the program within 150% of the program length (includes on-time graduates).
- 150% Graduates is the number of students who completed the program in reported calendar year within 150% of the published program length, including on-time graduates, divided by the number of students available for graduation.
- Graduates available for employment means the number of graduates minus the number of graduates unavailable for employment.
- Graduates unavailable for employment means the graduates who, after graduation, die, become incarcerated, are called to active military duty, are international students that leave the United States or do not have a visa allowing employment in the United State, or are continuing their education in an accredited or bureau-approved postsecondary institution.
- Graduates employed in the field means graduates who beginning within six months after a student completes the applicable educational program are gainfully employed, whose employment has been reported, and for whom the institution has documented verification of employment, For occupations for which the state requires passing an examination, the six months period begins after the announcement of the examination results for the first examination available after a student completes an applicable educational program
- Placement Rate Employed in the Field is calculated by dividing the number of graduates gainfully employed in the field by the number of graduates available for employment.
- Number of Students Taking Exam is the number of graduates who took the first available exam in the reported calendar year.
- First Available Exam Date is the date fro the first available exam after a student completed a program.
- Passage Rate is calculated by dividing the number of students who passed the exam by the number of graduates who took the reported licensing exam.
- Number Who Passed First Available Exam is the number of Graduates who took and passed the first available licensing exam after completing the program.
- Salary is as reported by the graduate or graduate's employer.
- No Salary information Reported is the number of graduates for whom, after making reasonable attempts, the school was not able to obtain salary information.

STUDENT'S RIGHT TO CANCEL

California Human Development corporation/Anthony Soto Employment Training Centers will refund 100 percent of the amount paid for tuition charges without penalty or obligation if notice of cancellation is made on or before midnight of the seventh day after the first day of instruction. Exception to the rule is the third day after enrollment for the Forklift Operation and Safety training. Notification of withdrawal or cancellation and any request for a refund should be made in writing to the Center Manager. For non-starters or students that cancel contracts prior to class start date, all refunds due will be made within ten (10) days of the class or the date of cancellation. For enrolled students, all refunds due will be calculated from the last date of attendance and are paid within forty-five (45) days from the documented drop date. The documented drop date is determined by written notice from the student or by applying the school attendance policy.

Note: for veteran refund policy, refer to school catalog.

Refunds will be paid to the party/parties that pre-paid the tuition for the student. If a third party prepaid the tuition, the computed refund will be paid to the third party. If more than one party prepaid tuition, the refund will be paid in proportion to the tuition prepaid by each party. If the student has received federal student financial aid funds, the student is entitled to a refund of moneys not paid from federal student financial aid program funds.

Prepaid tuition will be refunded on a pro-rata basis for any termination that occurs on or before 60 percent of the program clock hours of instruction.

The pro-rata amount will be computed by using the ratio of the number of hours of instruction completed to the total number of hours of instruction scheduled for a given program. For example, if a student paid \$4,414 for a 630-hour program and s/he only completed 191 hours, the refund would be \$3,076 ($\$4,414 / 630 = \$7/\text{hr.} * 191 \text{ hrs.} = \$1,338$ owed to ASET Center; $\$4,414 - \$1,338 = \$3,076$ refunded to student). No tuition will be refunded for any termination that occurs after sixty percent (60%) of instructional clock hours completed."

Definitions

- Number of Students who Began Program means the number of students who began the program who are scheduled to complete the program within 100% of the published program length within the reporting calendar year and excludes all students who cancelled during the cancellation period.
- Students available for graduation is the number of students who began program minus the number of students who have died, been incarcerated, or been called to active military duty.

California Human Development Corporation
Anthony Soto Employment Training Center
3315 Airway Drive
Santa Rosa, CA 95403
Phone # 707-523-1155
www.californiahumandevelopment.org

- Number of On-time Graduates is the number of students who completed the program within 100% of the program length with-in the reporting calendar year.
- On-time Completion Rate is the number of on-time graduates divided by the number of students available for graduation.
- 150% Graduates is the number of students who completed the program within 150% of the program length (includes on-time graduates).
- 150% Graduates is the number of students who completed the program in reported calendar year within 150% of the published program length, including on-time graduates, divided by the number of students available for graduation.
- Graduates available for employment means the number of graduates minus the number of graduates unavailable for employment.
- Graduates unavailable for employment means the graduates who, after graduation, die, become incarcerated, are called to active military duty, are international students that leave the United States or do not have a visa allowing employment in the United State, or are continuing their education in an accredited or bureau-approved postsecondary institution.
- Graduates employed in the field means graduates who beginning within six months after a student completes the applicable educational program are gainfully employed, whose employment has been reported, and for whom the institution has documented verification of employment, For occupations for which the state requires passing an examination, the six months period begins after the announcement of the examination results for the first examination available after a student completes an applicable educational program
- Placement Rate Employed in the Field is calculated by dividing the number of graduates gainfully employed in the field by the number of graduates available for employment.
- Number of Students Taking Exam is the number of graduates who took the first available exam in the reported calendar year.
- First Available Exam Date is the date fro the first available exam after a student completed a program.
- Passage Rate is calculated by dividing the number of students who passed the exam by the number of graduates who took the reported licensing exam.
- Number Who Passed First Available Exam is the number of Graduates who took and passed the first available licensing exam after completing the program.
- Salary is as reported by the graduate or graduate's employer.
- No Salary information Reported is the number of graduates for whom, after making reasonable attempts, the school was not able to obtain salary information.

- On-time Completion Rate is the number of on-time graduates divided by the number of students available for graduation.
- 150% Graduates is the number of students who completed the program within 150% of the program length (includes on-time graduates).
- 150% Graduates is the number of students who completed the program in reported calendar year within 150% of the published program length, including on-time graduates, divided by the number of students available for graduation.
- Graduates available for employment means the number of graduates minus the number of graduates unavailable for employment.
- Graduates unavailable for employment means the graduates who, after graduation, die, become incarcerated, are called to active military duty, are international students that leave the United States or do not have a visa allowing employment in the United State, or are continuing their education in an accredited or bureau-approved postsecondary institution.
- Graduates employed in the field means graduates who beginning within six months after a student completes the applicable educational program are gainfully employed, whose employment has been reported, and for whom the institution has documented verification of employment, For occupations for which the state requires passing an examination, the six months period begins after the announcement of the examination results for the first examination available after a student completes an applicable educational program
- Placement Rate Employed in the Field is calculated by dividing the number of graduates gainfully employed in the field by the number of graduates available for employment.
- Number of Students Taking Exam is the number of graduates who took the first available exam in the reported calendar year.
- First Available Exam Date is the date fro the first available exam after a student completed a program.
- Passage Rate is calculated by dividing the number of students who passed the exam by the number of graduates who took the reported licensing exam.
- Number Who Passed First Available Exam is the number of Graduates who took and passed the first available licensing exam after completing the program.
- Salary is as reported by the graduate or graduate's employer.
- No Salary information Reported is the number of graduates for whom, after making reasonable attempts, the school was not able to obtain salary information.

STUDENT'S RIGHT TO CANCEL

California Human Development corporation/Anthony Soto Employment Training Centers will refund 100 percent of the amount paid for tuition charges without penalty or obligation if notice of cancellation is made on or before midnight of the seventh day after the first day of instruction. Exception to the rule is the third day after enrollment of the Forklift Operation and Safety training. Notification of withdrawal or cancellation and any request for a refund should be made in writing to the Center Manager. For non-starters or students that cancel contracts prior to class start date, all refunds due will be made within ten (10) days of the class or the date of cancellation. For enrolled students, all refunds due will be calculated from the last date of attendance and are paid within forty-five (45) days from the documented drop date. The documented drop date is determined by written notice from the student or by applying the school attendance policy. **Note:** for veteran refund policy, refer to school catalog.

Refunds will be paid to the party/parties that pre-paid the tuition for the student. If a third party prepaid the tuition, the computed refund will be paid to the third party. If more than "One party prepaid tuition; the refund will be paid in proportion to the tuition prepaid by each party. If the student has received federal student financial aid funds, the student is entitled to a refund of moneys not paid from federal student financial aid program funds.

Prepaid tuition will be refunded on a pro-rata basis for any termination that occurs on or before 60 percent of the program clock hours of instruction.

The pro-rata amount will be computed by using the ratio of the number of hours of instruction completed to the total number of hours of instruction scheduled for a given program. For example, if a student paid \$4,414 for a 630-hour program and s/he only completed 191 hours, the refund would be \$3,076 ($\$4,414 / 630 = \$7/\text{hr.} * 191 \text{ hrs.} = \$1,338$ owed to ASET Center; $\$4,414 - \$1,338 = \$3,076$ refunded to student). No tuition will be refunded for any termination that occurs after sixty percent (60%) of instructional clock hours completed."

do not have a visa allowing employment in the United State, or are continuing their education in an accredited or bureau-approved postsecondary institution.

- Graduates employed in the field means graduates who beginning within six months after a student completes the applicable educational program are gainfully employed, whose employment has been reported, and for whom the institution has documented verification of employment, For occupations for which the state requires passing an examination, the six months period begins after the announcement of the examination results for the first examination available after a student completes an applicable educational program
- Placement Rate Employed in the Field is calculated by dividing the number of graduates gainfully employed in the field by the number of graduates available for employment.
- Number of Students Taking Exam is the number of graduates who took the first available exam in the reported calendar year.
- First Available Exam Date is the date fro the first available exam after a student completed a program.
- Passage Rate is calculated by dividing the number of students who passed the exam by the number of graduates who took the reported licensing exam.
- Number Who Passed First Available Exam is the number of Graduates who took and passed the first available licensing exam after completing the program.
- Salary is as reported by the graduate or graduate's employer.
- No Salary information Reported is the number of graduates for whom, after making reasonable attempts, the school was not able to obtain salary information.

STUDENT'S RIGHT TO CANCEL

California Human Development corporation/Anthony Soto Employment Training Centers will refund 100 percent of the amount paid for tuition charges without penalty or obligation if notice of cancellation is made on or before midnight of the seventh day after the first day of instruction. Exception to the rule is the third day after enrollment of the Forklift Operation and Safety training. Notification of withdrawal or cancellation and any request for a refund should be made in writing to the Center Manager. For non-starters or students that cancel contracts prior to class start date, all refunds due will be made within ten (10) days of the class or the date of cancellation. For enrolled students, all refunds due will be calculated from the last date of attendance and are paid within forty-five (45) days from the documented drop date. The documented drop date is determined by written notice from the student or by applying the school attendance policy. **Note:** for veteran refund policy, refer to school catalog.

Refunds will be paid to the party/parties that pre-paid the tuition for the student. If a third party prepaid the tuition, the computed refund will be paid to the third party. If more than "one party prepaid tuition, the refund will be paid in proportion to the tuition prepaid by each party. If the student has received federal student financial aid funds, the student is entitled to a refund of moneys not paid from federal student financial aid program funds.

Prepaid tuition will be refunded on a pro-rata basis for any termination that occurs on or before 60 percent of the program clock hours of instruction.

The pro-rata amount will be computed by using the ratio of the number of hours of instruction completed to the total number of hours of instruction scheduled for a given program. For example, if a student paid \$4,414 for a 630-hour program and s/he only completed 191 hours, the refund would be \$3,076 ($\$4,414 / 630 = \$7/\text{hr.} * 191 \text{ hrs.} = \$1,338$ owed to ASET Center; $\$4,414 - \$1,338 = \$3,076$ refunded to student). No tuition will be refunded for any termination that occurs after sixty percent (60%) of instructional clock hours completed."
